Both tuition, including course-related fees such as the technology fee, and the program fee for participation (i.e., the room, board, and other non-instructional costs) will be billed directly by the UGA Student Accounts system after you are accepted into the program.

Program fees will be billed in stages beginning immediately after acceptance according to the **Program Fee schedule** in the box below. Tuition will be billed according to the regular UGA payment calendar for tuition. Further payment instructions and details will be available when you register in OASIS.

**NOTE:** Please check your UGA MyID account frequently during the time between acceptance into the program and your departure. Notices about amounts due to Student Accounts and other official UGA announcements will only be sent to an official UGA MyID. If you normally use another e-mail provider, please make sure your UGA account is forwarded to that account.
