Department of Public Administration and Policy MASTER OF PUBLIC ADMINISTRATION

GWINNETT CAMPUS

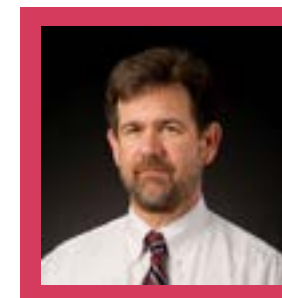

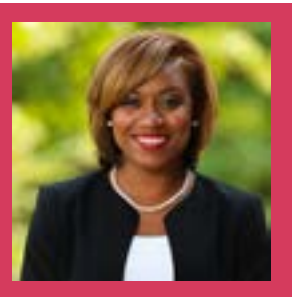

ALUMNI COMMITTED TO PUBLIC SERVICE

“UGA’s MPA program provided me with invaluable experience in key elements of public administration that gave me a strong foundation as I began my career. As my roles in public service have grown and changed over the years, I’ve continued benefit from my time in the program and connections with a network of other alumni across the state, country, and globe.”
-**Mercy Montgomery, Assistant City Manager, City of Chamblee, Georgia**

“The combination of my MPA with my work experience makes me more of a diverse candidate. I really think the MPA has helped me get to where I am in the government today.” -**Amelia Hines Dortch, State Public Affairs Specialist with USDA Natural Resources Conservation Service**
