Academic Appointments

Dean, School of Public and International Affairs and Arch Professor of Public and International Affairs (SPIA), University of Georgia, Athens, GA (2017-).

- Lead faculty of 75 in three academic departments and three centers and a student body of approximately 1,600 undergraduate majors and 300 graduate students.
- With faculty, staff, students, and alumni, developed five-year strategic plan (2018-2023). Priorities include strengthening pre-professional opportunities for underserved students and increasing fundraising performance. Created mentoring-intensive, fully-funded internship program that has supported more than 50 students from underrepresented communities since 2019. Three of the four years in SPIA's history when the school has raised more than \$2 million per annum have all taken place since 2017. Raised more than \$8.5 million in private and public funds since 2017 in collaboration with SPIA's director of development.
- Instituted a strategic enrollment management plan that has increased student enrollment and credit hour generation. Credit hours increased 17 percent between 2017 and 2021.
- Between 2017 and 2022, increased number of students enrolled in summer courses by 64 percent, thereby improving student progress toward degree completion. As of 2022, SPIA had the third-fastest undergraduate degree completion rate, placing it in the top-quarter at UGA.
- Overhauled parental leave, research leave, and teaching leave policies. Centrally-funded research leave by faculty increased 300 percent since 2017.
- Increased the three-year rolling average of applications to SPIA graduate degree programs by more than 30 percent between 2017 and 2021.
- Increased the school faculty ranks by securing six lectureship and four tenure-track faculty lines in 2018-22.
- Secured centrally-funded, new faculty start-up resources in FY18-20 and secured additional funds for new graduate student stipends for FY20.
- Secured funds for three net additional academic advisors between 2017 and 2021. Created school's first internship and career services position.
- From FY19-22, secured \$2.12 million in state funding to support experiential learning opportunities for SPIA undergraduates and graduate students.
- Rebuilt Master of International Policy program around three major themes: traditional security, human security, and energy security. With leadership of program director, MIP student enrollment increased five-fold between 2017 and 2021.
- New major (BS Political Science), two new minors (International Affairs; Human Rights and Security) and a new certificate program (Data Analytics in Public Policy) developed and approved since 2019. Joint Master of Public Administration and Master of Urban Planning and Design (with College of Environment and Design) developed and approved (2020).

Vice President for Academic Affairs and Dean of the Faculty, Professor of Environmental Studies, Bates College, Lewiston, ME (2013-17).

- Led a faculty of approximately 200; chief academic officer for campus of approximately 1,800 students.
- Administrative oversight of Athletics, Registrar and Academic Services, Museum of Art, Career Development Center, Harvard Center for Community Partnerships, Bates Dance Festival, Sponsored Research and Compliance, Academic Resource Commons, Faculty Commons for Learning and Teaching, Writing at Bates, Math and Statistics Workshop, Olin Concert Series, Graduate Fellowships.
- Senior administrative responsibility to lead faculty in development of educational policies and curricular directions for the college. Co-chair of college-wide strategic planning process.
- Provided leadership and facilitation of major campus initiatives including improvement of academic support functions and promotion of diversity in faculty hiring.
- In collaboration with academic departments and programs, recruited 25 tenured, tenure-track, and long-term lecturers. Half of all recruited faculty were from underrepresented groups.
- Chair of committees governing academic resource allocation, faculty reappointment, tenure and promotion, and evaluation and promotion of varsity coaches.
- Contributed to awarded grant for \$1 million to diversify the faculty (Mellon Foundation, 2015-19) and \$270,000 STEM summer research experience (Sherman Fairchild Foundation, 2016-18).
- Facilitated advancement efforts, including fundraising for Dean's academic initiative fund and fund for Digital and Computational Studies (DCS). President and advancement team secured \$10 million for DCS in 2015-16.
- Prioritized students' demands for access to courses. Students securing at least three preferred courses/semester increased from 78% in 2014 to 97% in 2017 following Registrar's overhaul of course registration system.
- Oversaw development and allocation of more than \$37 million in budgets for faculty salaries and for operating costs of academic departments and programs.
- Under leadership of the Director of Athletics, Athletics program posted best-ever 20th place out of 325 institutions in the Learfield Directors' Cup final standings in 2016-17.
- Member of President's senior staff.

Dean, Hutton Honors College, Indiana University, Bloomington, IN (2008-13).

- Oversaw a student body of approximately 4,200.
- Supervised 18 professional and support staff including admissions, budgetary affairs, academic advising, course scheduling, community outreach, diversity affairs, extracurricular and enrichment programs, alumni affairs, career services, residential services, student leadership, scholarship placement, undergraduate research, and study abroad.
- With support from the Indiana University Foundation, raised more than \$1.6 million for operations and programs in the Hutton Honors College.
- During deanship, residential housing for honors students expanded by one-third with approximately 320 students living in Honors Residential Communities.
- Merged Indiana University's largest, endowed undergraduate research scholarship program, the Cox Research Scholarship Program, into the Hutton Honors College. Program highlights: 99 students, two staff; scholarship outlays of approximately \$2.45 million/year.
- Led senior recruitment efforts for the university including chairing search committees for Dean of the Kelley School of Business and Dean of Students/Vice Provost of Student Affairs.

Director, Undergraduate Programs, School of Public and Environmental Affairs, Indiana University, Bloomington, IN (2006-08).

- Chief administrator of two undergraduate degree programs, eight majors, eleven minors, and six certificate programs.

– *academic appointments, continued* –

- Managed staff of six.
- Developed and administered annual operating budgets of \$2 million.
- Over three years, increased applications for majors by 33 percent; increased enrollment of majors and credit hours by more than 25 percent.
- Created honors program which enrolled 70 students in 2008 – 2nd largest academic unit-based honors program on campus.
- Acquired base budgetary resources for undergraduate study abroad programs in South Korea and Vietnam; \$135,000 over five years. Led both programs for four years.
