

BENCH IN HONOR OF NANCY POWER THOMPSON

Nancy Power Thompson retired from the University in 2017 after 35 years of service. To honor her career which was almost entirely dedicated to the Department of Political Science and SPIA, the School is raising \$5,500 to name a bench in her honor. The named bench will be located in the garden area outside the new Baldwin Hall annex where Nancy dedicated much of her time in the last year of her career to make the Baldwin Hall construction project a success.

**Please note: We would like to keep this initiative a secret from Nancy until all the funds are raised. Once the \$5,500 minimum has been met, all donors will be invited to an event where we will surprise Nancy and present the bench to her.*
