What is visitation day?

Visitation day is an opportunity to get an inside look into our MPA program and get a feel for it before you begin. Both prospective applicants, as well as those already accepted, are encouraged to attend. Throughout the day you will learn about our MPA degree, as well as meet and mingle with faculty, students, and alumni of our internationally renowned graduate program. Not only are we offering you an outstanding education, we are also providing you with a community that will last a lifetime.

Come and see how we will prepare you for a career in the government and nonprofit sectors!

RSVP by March 29th to aredman@uga.edu.
