# ALUMNI COMMITTED TO PUBLIC SERVICE

“UGA’s MPA program provided me with invaluable experience in key elements of public administration that gave me a strong foundation as I began my career. As my roles in public service have grown and changed over the years, I’ve continued benefit from my time in the program and connections with a network of other alumni across the state, country, and globe.” -**Mercy Montgomery, Economic Development Director, City of Sugar Hill, Georgia**

“The combination of my MPA with my work experience makes me more of a diverse candidate. I really think the MPA has helped me get to where I am in the government today.” -**Amelia Hines Dortch, State Public Affairs Specialist with USDA Natural Resources Conservation Service**

“I chose the UGA MPA program because it has a tremendous reputation and is heralded as one of the nation’s best. And because it is offered at the Gwinnett campus, it is incredibly convenient.” -**Ted Pestorius, Deputy Director, Global Health Office of Management and Overseas Operations, CDC**
