Bigger Vision Highlights:

Giving Thanks and Giving Back to our Community!

The holiday season is upon us, and Bigger Vision is more thankful than ever for our amazing supporters! We have had a busy month and are excited to share some updates with you all. The temperatures are dropping rapidly at night, and we are continuing to build our supply of blankets, coats, scarves, gloves, hats, hand warmers, and other winter weather necessities. We also upgraded our laundry facilities thanks to a generous donation from a local church, allowing us to increase the capacity of our daytime laundry service program. Using this funding, we are also preparing to replace our refrigerator, freezer, and dishwasher in the coming weeks. These facility improvements will allow us to continue providing our full range of services well into the future!

Bigger Vision has had some major successes this month! Since the start of the year, we have sheltered 413 unique individuals for 10,184 shelter stays and provided over 20,000 meals. We could not do this without our network of supporters and volunteers who fund our programs, provide meals to our guests, and fill our volunteer shifts! We have a few Meal Provider slots open in November and many Evening Volunteer slots available. Please check out our [Givepulse](#) page, or give us a call or email if you are interested in volunteering! We will also have at least one opening for a Master of Public Administration student intern in the spring semester, so don't hesitate to contact us if you are interested in learning more.

The fall and winter seasons are Bigger Vision's busiest and most important seasons for service, and we need your support now more than ever to keep people experiencing homelessness safe, comfortable, and on the path to sustainable housing! We have many available involvement opportunities and multiple exciting events as we finish this busy year. Thank you again for staying connected with us and helping us work towards our vision of an Athens where everyone has a safe and affordable place to rest their head!

Donor Spotlight of the Month: Advance Auto Parts

Athens's local Advance Auto Parts team came together with Bigger Vision to hold a massive blanket and winter clothing drive! Local and Regional management coordinated all Advance Auto Parts locations in Athens to offer a 10% discount for every customer who brought in a blanket for their Heat for the Homeless event, and the community response was astounding! Supporters brought hundreds of items, including blankets, scarves, gloves, hats, and other winter necessities. The Advance Auto Parts team also collected backpacks with hygiene kits, clothing, and other critical supplies for people in need. Bigger Vision is so grateful for all that Advance Auto Parts has done to keep people experiencing homelessness safe and warm this winter!

The first of many deliveries!

Backpacks, blankets, jackets, and more!

Bigger Vision would like to give a special thanks to Chad Chesser and Tim Siewert for reaching out to organize this amazing event in support of the Athens-Clarke County community! Working with local businesses and other community partners in support of those we serve is crucial to our mission, and we're so grateful for everyone who contributed towards this success.

Bigger Vision Thanks Advance Auto Parts!

Huffer Foundation Grant Awarded:

The **James E. and Betty J. Huffer Foundation** recently awarded Bigger Vision a \$10,000 grant to help fund our Emergency Shelter Program! This grant will cover the costs associated with supporting two beds in our Emergency Shelter Program, providing 609 shelter stays, 1,217 meals, and countless supplies to people experiencing homelessness in Athens. Private foundation support is a critical piece of the funding we need to keep our 35-bed shelter operating at full capacity throughout the year. On behalf of those we serve, Bigger Vision thanks the Huffer Foundation for helping make Athens-Clarke County a better place and investing in our community!

Bigger Vision Thanks the Wallace Family!

Bigger Vision would like to give a special thanks to Bob and Mary Wallace for repairing our freezer! Community members like the Wallace Family help keep Bigger Vision fully operational so we may continue achieving our mission! Thank you, Bob and Mary!

Upcoming Internship Opportunities:

Bigger Vision currently has three UGA Master of Public Administration interns and two UGA Master of Social Work interns working with us throughout the fall semester. In the spring, we will have at least one opening for a new MPA intern. The position will be unpaid, and interns will have the opportunity to learn fundraising, nonprofit development, and administration skills. For more information, [please view this position description](#).

Volunteer Opportunities:

Serve a meal! Meal Providers can now choose between coming inside to serve our guests directly or dropping the meal off to be served by staff and Evening Volunteers as we have done during the past two years. We understand that everyone's schedules are different, and we feel that providing this choice will allow more of our supporters to provide dinner for our guests. Meal Providers will be asked to wear masks while present inside the facility and interacting with staff, guests, and other volunteers. Sign up to become a:

FAQ:

What is the best time to drop off donations?

- The best time to drop off donations to the shelter is between the hours of 8:00 am and 4:00 pm. We know this doesn't work for everyone, so if you need to come outside of these hours, just give us a call, and we will make sure to keep an eye out for you!

Will there be any service changes during Thanksgiving week?

- No way! Bigger Vision will continue normal operations during the entire holiday season.

What are the most important emergency items during the fall and winter months?

- Now that the cold weather has officially arrived, the most important items our guests are in need of include winter apparel, hand warmers, blankets, backpacks, and non-perishable food items. These items help keep our guests warm during the day, as well as provide comfort to those who are unable to seek proper shelter during the evening.
