

## Timetable for the MA-NT Degree (MA, Nonthesis)

The MA–NT program of study must contain a minimum of 33 hours of graduate coursework. In lieu of an MA thesis, the student will complete an article for approval by their major professor.

These 33 hours must also include at least 21 hours of coursework exclusive of POLS 7000 (Master’s Research). Twelve of these 21 hours must be courses restricted to graduate students (i.e., not 4000/6000 split-level courses). Students must also complete GRSC 7001, the GradFIRST seminar.

The MA methods requirement is 9 hours: POLS 7010, 7012, 7014. MA students who entered through the Double Dawgs Pathway are not required to take POLS 7010.

A typical MA–NT program of study is outlined below. Individual student programs may vary.
