PUBLICATION

Lim, B. (2022). *A Study on Norm Internalization: Focusing on Norm Contestation on Conscientious Objection to Military Service in Korea* [Master's thesis (in Korean), Seoul National University]
- Short summary: This thesis illustrates the process of norm contestation between external norms and domestic value systems by analyzing the case of taking the international norm of conscientious objection to military service in South Korea. It also explains why some of the public and decision makers who were initially against the norm accepted it. This research contributes to the literature regarding the domestic process of norm internalization and its effect on human rights practice.
